

Dear friend

Re: Volunteering WA membership

Volunteering WA wishes to build stronger communities by providing support to all volunteer-involving organisations throughout Western Australia.

As WA's peak body for volunteering we understand and work to solve the issues you face daily such as volunteer recruitment, retention and management, making the most of your scarce resources, organisational resilience and enhancement, and professional development.

I invite you to experience the benefits of our networks and services by becoming a member of VWA.

Please invest a few moments to view the enclosed information or visit www.volunteeringwa.org.au to learn more about us and how we can help you.

Yours sincerely
