

## Questions and Answers

19/09/2024

### **1. Do I need to complete a Child Safe Compliance form if the services being delivered do not involve contact with children?**

Yes, every grant recipient needs to complete a Child Safe Compliance form.

If the services being delivered involve direct contact with children, or involve contact or interaction with children that is more than incidental to the activity, then you will need to complete a CB9 compliance form.

If it is highly unlikely or there is a very remote chance of interaction with children, you will need to complete a G8A compliance form.

Please refer to Section 2.4 of the Grant Opportunity Guidelines for more information on Child Safe Compliance requirements.

### **2. If my organisation is an autonomous branch/sub-group of a larger organisation, and we are a separate entity with separate bank accounts, but we share an ABN with that larger organisation, how should I complete the EOI form?**

According to the eligibility criteria in Section 2.1 of the Grant Opportunity Guidelines, organisations that are an autonomous branch/subgroup of an organisation with an annual income greater than \$500,000, but that branch/subgroup income is under \$500,000, are eligible to apply.

In this case, applicants should apply under their own name, and use the ABN of the auspicing organisation.

### **3. We are an incorporated association but we do not have Not For Profit Status. Are we eligible to apply?**

Please refer to Section 2.1 of the Grant Opportunity Guidelines for information about who is eligible to apply for a grant.

### **4. Is payment of fees for the Cert IV in Volunteer Management for our Volunteers Officer an eligible expense under this funding?**

Eligible activities are outlined in Section 3 of the Grant Opportunity Guidelines.

Please note, all activity must be completed within the Grant Activity Period, 29 November 2024 – 30 May 2025, as specified in the Grant Timelines in Section 1.3 of the Grant Opportunity Guidelines.

### **5. Can we use the grant to have an IT Consultant conduct an evaluation of our IT systems and provide basic training for our volunteers?**

Eligible activities are outlined in Section 3 of the Grant Opportunity Guidelines.

Please note, all activity must be completed within the Grant Activity Period, 29 November 2024 – 30 May 2025, as specified in the Grant Timelines in Section 1.3 of the Grant Opportunity Guidelines.

# Strong and Resilient Communities – Community Support – Small Grants for Volunteer Involving Organisations Activity

16/09/2024

## 1. What is the Strong and Resilient Communities (SARC) Community Support – Small Grants for Volunteer Involving Organisations program about?

The Strong and Resilient Communities (SARC) Community Support – Small Grants for Volunteer Involving Organisations is a program funded by The Australian Government Department of Social Services and administered by the State and Territory volunteering peak bodies, the small grants will assist grassroots organisations to strengthen volunteering through capability and capacity building.

Small volunteer involving organisations will be able to apply for grants (\$10,000 – \$20,000) for one-off, time-limited projects that build volunteer management capability, build volunteer management capability within organisations to uplift volunteer capability, including volunteer knowledge, skills and volunteer numbers; and to support alignment with the strategic objectives of the [National Strategy for Volunteering](#) and [National Standards for Volunteer Involvement](#) in organisations that support:

- young people 12 to 18 years who are disengaged, or at risk of disengaging, from education to reconnect with their community, school, training and/or employment
- people with disability and/or mental health conditions to participate in the community, and work towards becoming or remaining independent and engaged in the economy and/or society
- women who experience, or are at risk of experiencing isolation or discrimination to participate in the community and/or economy and increase their self-agency
- people who are unemployed to increase participation in their community and/or increase their capacity to engage in employment, training, or existing employment service

## 2. How can my organisation apply for a grant through the Strong and Resilient Communities (SARC) Community Support – Small Grants for Volunteer Involving Organisations program

Information in how to apply can be found in section 5 of the Grant Opportunity Guidelines.

The Grant Opportunity Guidelines can be found on your local volunteering peak body website:

### 5. Will it be possible to be granted an extension of time to submit an expression of interest?

Unfortunately, late expressions of interest will not be accepted.

### 6. How much funding can my organisation apply for?

Organisation can apply for a one-off amount of between \$10,000 - \$20,000 (GST exclusive), for one-off time-limited projects that build volunteer management capability and help the organisation to support the social and economic participation of vulnerable and disadvantaged people.

### 7. Can I apply for more than \$20,000?

No. The maximum funding an eligible organisation can apply for is \$20,000.

### 8. Can I apply for less than \$10,000?

No. The minimum funding an eligible organisation can apply for is \$10,000.

### 9. Is the funding provided on-going?

No. If successful, the funding provided is one-off.

# Strong and Resilient Communities – Community Support – Small Grants for Volunteer Involving Organisations Activity

## 10. Is my organisation eligible to apply?

Eligibility criteria can be found in Section 2 of the Grant Opportunity Guidelines.

## 11. Do I need to be a member of my local volunteering peak body to submit an expression of interest?

No. Membership is not relevant to this grant program. You must meet the eligibility criteria as outlined in Section 2 of the Grant Guidelines for Applicants to submit an expression of interest.

## 12. Is it the volunteer organisation (i.e. providing services to those cohorts) OR the volunteer program (i.e. providing opportunities for those cohorts to engage in volunteering) that are eligible to apply?

Both, volunteer organisations providing services to the listed cohorts and organisations with volunteer programs that include volunteering opportunities for the listed cohorts are eligible to apply.

## 13. For organisations that fit all other eligibility criteria but are run nationally to which state/territory should they apply?

National organisations that are eligible to apply should apply to the Volunteering Peak Body in the state or territory where the activity will take place. If the activity will take place nationally the organisation should apply in the state or territory where their headquarters are located.
